BIOGRAPHY

Considered one of the Nations Top Business Expert, Houston native Dr. Velma Trayham is an award-winning entrepreneur, founder, and CEO of Thinkzilla Consulting Group, an innovative brand development and digital transformation agency.

Thinkzilla has helped over 200 distinguished organizations meet their branding and revenue goals while discovering their greatest marketing assets. Led by Trayham's unwavering tenacity, vision, and sincere desire to help others succeed, Thinkzilla has expanded its reach across major U.S. markets including Atlanta, Houston, and Los Angeles.

HIGH IMPACT THOUGHT LEADERSHIP

Trayham has been instrumental in driving measurable growth for top organizations that range from startups to Fortune 500 companies. She has consulted for notable clients such as Atlanta Airlines Terminal, NASCAR, University of Phoenix, and J.I.V.E. Juice Company to name a few.

Trayham's economic empowerment program, Millionaire Mastermind Academy, has mentored 4600+ women entrepreneurs to become successful in their industries. The high-impact programs instill confidence in women while giving them the tools and resources they need to thrive in today's aggressive market. Her thought leadership events and programs have attracted entrepreneurs worldwide.
